Golden Jubilee Celebration of GNC Ballarpur

(24th December, 2023)

VENUE: RAJE BALLALSHAH HALL, KALAMANDIR, BALLARPUR

Organizing an alumni reunion combined with a golden jubilee (50th anniversary) celebration of institute is a wonderful way to reconnect graduates, honor milestones, and foster community spirit.

The Golden Jubilee Celebration of Gurunanak College of Science, Ballarpur was organized on 24 December 2023 by alumni of GNC Ballarpur. About 250 alumni from 1970-2010 batches attended the event. The program featured felicitation of teachers, their speeches, buffet lunch, campus tour and donation of water coolers to college.

A Full Day Golden Jubilee Reunion with Alumni, Faculty and Current Students.

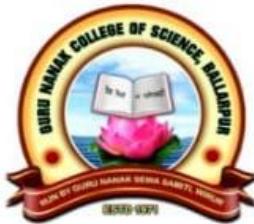

The inaugural program begins with lightening the lamp by current Principal Dr. Pokhale and Professors (Retired and Currently working) followed by welcome dance by school children's. Felicitating retired teachers during an alumni reunion especially as part of golden jubilee celebration is a meaningful way to honor their contributions to education and the institutions legacy. Alumni gathering provides an opportunity to recognize teachers who shaped generation of students. Program begins with speeches delivered by current principal, some notable alumnus and retired teachers. All respected retired and current teachers were felicitated by alumni giving shawl, shripal and memento. All the alumni were invited on the dais to introduce themselves. Alumni shared their memories of their college days. There were knowledge sharing sessions, cultural programs (singing by alumni), dance etc.

In the evening a bike and car rally was organized on the way to college. Visit to classrooms and laboratories is organized to evoke nostalgia and allow alumni to relive their college days. This was really a wonderful experience for alumni to revisit the spaces where they studied, interacted with teachers and build memories, such as classrooms where they attended lectures or labs where they conducted experiments.

At valedictory program alumni donated water cooler to their alma mater. This was thoughtful and impactful way to give back, especially during the events such as reunion or golden jubilee celebrations. These contribution address everyday needs like providing clean accessible drinking water to students and staff, this donation symbolizes alumni commitment to the institutes.

GNC50 Golden Jubilee Alumni Reunion

Program for the day (24 Dec, 2023)

CELEBRATION OF GOLDEN JUBILEE

Guru Nanak College of Science, Ballarpur, successfully organized its Golden Jubilee Alumni Reunion on 24th December 2023, marking a significant milestone in the institution's history. The event was spearheaded by a dedicated team, including Dr. S.S. Pokley, Principal of GNC Ballarpur; Dr. Ajay Pachbhai, Convener and Visionary Leader; Mr. Kartik Wagdeo, Convener and Coordinating Leader; and Dr. Devendra Lingojiwari, Convener and Coordinating Leader.

The organizing committee comprised key members such as Mr. Virendra Arya, Organizing Secretary; Mr. Naresh Mundada, Senior Treasurer; Dr. Vijay Wadhai, Advisor; Ms. Vani Ramji, Junior Treasurer; Mr. Jitendra Jogad, Senior Logistics and Transport; and Ms. Suvarna Kanpelliwar, Teacher Coordinator.

Additionally, Dr. Prashant Thakare served as Senior Advisor, Mr. Pramod Chunchuwar handled Press and Media relations, Dr. PrafullaKatakar coordinated teacher involvement, and Mr. Akhilesh Patil provided junior logistics support. The reunion was a grand success, thanks to the collective efforts of these individuals and the entire organizing team.

**GURU NANAK COLLEGE GLOBAL FOUNDATION ORGANIZED
FELICITATION OF MERITORIOUS STUDENTS AND SICKLE CELL
ANEMIA DETECTION CAMP ON 31ST AUGUST 2024**

Guru Nanak College's Global Foundation recently hosted a Sickle Cell Anemia Detection Camp and felicitation ceremony for meritorious students on 31st August 2024, at the college library hall. The event commenced at 10:30 am, featuring expert alumni talks by Dr. B.M. Bamirwar, Vice Principal of the Global Foundation, and Dr. V.S. Wadhai addressed meritorious students , words of encouragement left a lasting impression on the students motivating them to continue pursuing their goals with passion and purpose. Dr. Lingojiwar Project Director, delivered insightful discussions on sickle cell anemia, a genetic disorder that affects hemoglobin production and causes red blood cells to become misshapen.

Sickle cell anemia can lead to various complications, including anemia, pain crises, infections and organ damage. Early detection and management are crucial to preventing these complications. The camp likely provided attendees with valuable information on symptoms, diagnosis and treatment options available for sickle cell anemia.

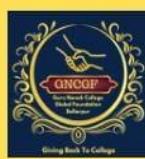

The event also recognized the achievements of meritorious students, highlighting the college's commitment to academic excellence and community service. By organizing such initiatives, Guru Nanak College's Global Foundation demonstrates its dedication to giving back to society and leveraging the expertise of its alumni to make a positive impact.
